

SET TIME

- ① Plug clock into standard electrical outlet. Clock displays **88:88** (DIG-4B) or **88:88:88** (DIG-6B).

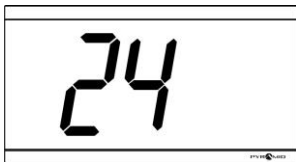

- ② To set time, hold clock display facing towards you and locate two buttons on back of clock. With clock display facing you, press left hand button to set hour. Press right hand button to set minute. PM is indicated by the PM indicator light in upper left hand corner.

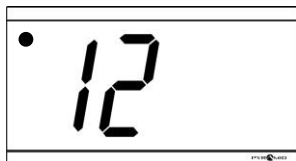

24 HOUR MODE (MILITARY TIME)

- ① To change clock from 12 Hour to 24 Hour mode, locate two buttons on back of clock. Press both buttons at same time and hold until clock displays “24” then release buttons. Clock will display **00:00**. Set time per “SET TIME” instructions above.

- ② To return to 12 Hour mode, press two buttons again at the same time until clock displays “12”, then release buttons. Clock will display 12:00 when ready to set time.

INTERFACE

The DIG-4B and DIG-6B are able to interface with Pyramid time clock models **4000**, **5000**, **5000HD** and **Elite Series Time Clock Systems**, **PSDLAUBKK**, **TTPROXEK** and **TTELITEEK**. Each clock may also be connected to the **Pyramid TimeTrax Sync™ 7000 Master Clock** as part of a synchronized clock system. Connection is made with RJ45 cable to any of these devices.

1-YEAR LIMITED WARRANTY

The manufacturer warranties this equipment to the original user against defective material or workmanship for a period of one year from the date of purchase. The manufacturer's responsibility under this warranty is limited to the repair or replacement of the defective part or parts.

The manufacturer reserves the right to determine whether the parts failed because of defective material, workmanship, or other causes. Failure caused by accident, alteration, misuse or improper packaging of returned unit is not covered by this warranty. All warranty repairs must be done by Pyramid Time Systems, LLC. Any repair to the equipment other than Pyramid Time Systems voids the warranty. Users in countries other than the USA should contact the Dealer from whom the unit was purchased. The rights under this warranty are limited to the original user and may not be transferred to subsequent owners.
