

# 3700<sup>SS</sup>

Heavy Duty Time Clock & Document Stamp

PYRAMID<sup>®</sup>  
SIMPLE : SMART<sup>®</sup>

## Works Double Time in Any Environment.

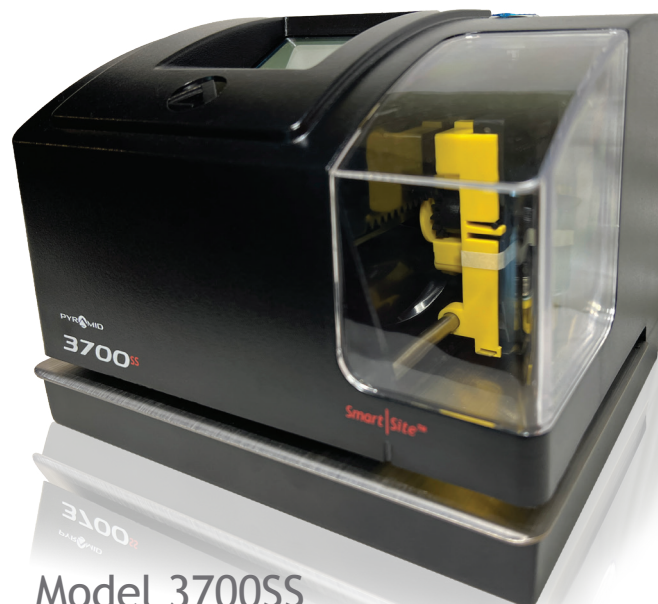

The **3700ss Heavy Duty Time Clock** and Document Stamp is constructed of a heavy duty steel base and polycarbonate plastic cover to withstand harsh workplaces, such as garages, warehouses, and manufacturing facilities where there is damage potential. Our patented SmartSite™ takes the guesswork out of lining up time card punches and time stamps with its time stamp alignment guide, 3-way viewing window and internal red linear LED light.

Record employee time and attendance, or stamp the date, time and up to 14 pre-programmed message options on time-sensitive documents such as incoming mail, attendance logs, or legal paperwork.

- Constructed of a heavy duty steel base and polycarbonate plastic cover to withstand harsh workplaces
- 14 pre-programmed message selections for stamping time-sensitive documents
- Track job costs, records employee time and attendance or stamps documents
- Patented SmartSite™ alignment guide ensures perfectly aligned time card punches and document stamps
- Prints date and time or any one of our 14 message options
- English, Spanish or French menu programming and printing
- No employee limit for optimum flexibility
- Adjustable document edge side loading accommodates various paper sizes and printing orientation.

*Heavy-duty  
steel base and  
polycarbonate  
plastic cover*
